

BeaterBlade™ Pro

Scrapes The Bowl While Mixing

Commercial Grade & Dishwasher Safe

BeaterBlade Pro continuously beats, scrapes, folds and mixes ingredients for KitchenAid®, tilt and lift mixers. Our food service model is made to withstand extended use in institutional kitchens and comes in bright yellow for easy identification. BeaterBlade Pro is one of the most efficient tools in today's professional kitchen.

Virtually eliminates hand-scraping, cuts mixing time by up to 50% and minimizes batter build-up on the beater and blade. Ingredients are thoroughly incorporated ensuring foolproof mixing and baking preparation. BeaterBlade Pro can also be used for mashed potatoes, compound butters, meatloaf, pie fillings, gum paste and more! BeaterBlade Pro is made in the USA and is commercial dishwasher safe.

Perfect for:

- Cookies & Quick Breads
- Cake & Cupcake Batters
- Sugar Frostings & Gum Paste
- Herbed Butter Mixtures
- Pancake & Donut Batters & More

Unique Patented “Wing-System” Design

Scrapes sides and bottom of bowl while it mixes. Incorporates ingredients 100% for perfect consistency every time.
