

## NEW! oven glove

really takes the heat (and looks cool doing it)

In the heat of the moment, our oven glove comes through. Use this glove to protect your hands when removing hot items from the oven. This comfortable, seamless five-fingered glove is made of DuPont Nomex® and is heat and flame resistant. Our oven glove can withstand temperatures up to 500° F (260° C) and fits great on both righties and lefties!

- Five-fingered glove makes it easy to grip large, heavy pans
- DuPont Nomex® heat & flame resistant outer lining
- Comfortable double knit cotton inner lining
- Withstands temperatures up to 500° F (260° C)
- Like professional chefs and caterers use
- Machine washable
- Tumble dry in low heat only
- For right or left hand use
- Made in the USA
